

Dear *Renter*

Please do phone us when you depart Malaga airport so we know you have arrived and we can meet you at Comares. We live about 30 minutes away. If you intend to do some shopping it would be helpful if you could also phone when leaving Eroski. It saves us sitting at Comares for hours waiting for you.

Here are the directions and key collection instructions to your property. Don't forget to take them with you! If these instructions are not clear please contact us using the information below.

From Malaga airport, take the E15/N340 towards Malaga, **Almeria and Motril**.

After about 30 minutes, leave the motorway at **exit 272** signed for Velez Malaga. *Point 2 on map*. (At this exit there is the large **El Ingenio** mall with an Eroski supermarket. Excellent food and clothes shopping.)

Go under the motorway and follow the A356 northbound towards **La Vinuela**. Continue straight on at the first roundabout with a Repsol garage. Continue straight on at the second roundabout with another Repsol garage. About 500 metres past the third Repsol garage on the right hand side **turn left** towards Benamargosa, Cutar and Comares at the El Cruce restaurant. *Point 3 on map*.

Continue along this road, MA3113, for about 10 kms through Triana, Benamargosa and Salto del Negro. After a further 2 kms take the left turn up the hill signposted to Comares. *Point 4 on map*. Climb for 7 kms and at the T junction turn right into Comares.

After a further 500 metres pass the Atalaya restaurant and the village swimming pool. Follow the road past the left and then right hand bends to the large car park with about 60 spaces on the right hand side of the road. Park here.

Casa La Molina is the large house set above the rock wall which you have just passed on the left side of the road.

Phone **0034 669 434 457** if we are not there to meet you.

An additional phone number is 0034 610 112 036 if there is no answer.

If you shop at the Eroski supermarket, to get back to the motorway exit 272, turn right out of the **main entrance** at the roundabout (Dunnes on the right) to the next junction (400 metres). Turn right here and follow this road for about 1 km which brings you back to the roundabout under the motorway. At this roundabout **go straight on** for the A356. This instruction is necessary as **you can not leave Eroski the same way you came in** and we have had people who have driven in to the centre of Velez which is not the same as the A356.

If your departure experiences a delay, please text us on 0034 669 434 457 with the updated arrival time. Thanks. We hope you have a lovely holiday.
